

**To Lowe's Home Improvement Warehouse Employees
Store #1184:**

I would like to start by saying, thank you for the great job you are doing! Each and every one of you is so important to our team by providing our customers with knowledgeable and friendly assistance whenever needed.

We are fortunate to have the extra privilege of having an active Health and Wellness Committee at our store. These people work hard at pursuing activities and events that will not only improve the quality of our lives by making us more aware of wellness, but to have fun at our work environment as well.

I look forward to all the ways we will be working together in the future, and I encourage all of you to take advantage of the programs provided by the wellness committee as we strive to win the Bronze Well Workplace Award.

Sincerely
